SOUTHEAST SECTION SUCCESS 2022

The south east coast of Florida is known for its sunken bounty, giving the region the infamous moniker, the Treasure Coast. If your first thought about treasure sunken off the coast brings up images of pirates, you are not alone.

Pirates and treasure are synonymous and it gave the team the creative license that brought you the fabulously decorated and themed Southeast Section Meeting that kicked off Friday, April 29 at the Hilton Garden Inn in West Palm Beach. Members, new and old, gathered and celebrated and the event culminated with a sunset cruise along the beautiful intercoastal shores of Palm Beach County. Many attendees took the opportunity to sport their costume attire throughout the weekend and the cruise was well represented. Visit the Treasure Coast 99s Facebook page for more images from the event.

45TH AIR RACE CLASSIC (ARC)

Florida's Lakeland airport, home of Sun-n-Fun, was the starting point and host facility for the annual all women's air race whose origins can be traced to Amelia Erhart. The racers took off from Lakeland Linder Airport on Tuesday, June 21 for the 4-day, day VFR 2500 mile challenge. So who won? Learn more about the Air Race Classic history and ways to get involved on their website. <https://www.airraceclassic.org/>

Miami/Homestead will host the terminus, or end of the race, next year and plans are already forming in anticipation of a great 'end-of-race' celebration.

For information on how you can help with the 2023 event, whether preliminary or at one of the airports that the racers will stop at, contact the volunteer coordinator on their website.

MAKING MOVIE MEMORIES

The anticipation nearly killed us but we prevailed and at last, the long awaited sequel, and blockbuster in the making, MAVERICK opened in theaters over

Memorial day weekend and did not disappoint. Several members, with friends and family in tow, gathered to watch the spectacle together in West Palm. Share your MAVERICK story on the Treasure Coast 99s Facebook page or send to our recently appointed Social Media coordinator, Ashley Schucker ashleyschucker@gmail.com
